What MASWCD Does

- Represents Missouri SWCDs at the National Level:
 - Missouri Representative on Boards of the National Association of Conservation Districts and the NACD North Central Region
- Presents Annual Conference for SWCDs and Conservation Partnership
- Furnishes Comprehensive Web Site Resources for SWCDs and Conservation Partners at www.maswcd.net
- Advocate for SWCDs with Missouri Government Officials:
 - Missouri Department of Agriculture
 - Missouri Department of Conservation
 - Missouri Soil & Water Commission
 - Missouri Department of Natural Resources – Soil & Water Program
 - Missouri Natural Resources Conservation Service
- Provides a Comprehensive Legislative Agenda for Districts
- Promotes Outstanding Agricultural Conservation Efforts Through Annual Awards
- Ensures the Continuation of Cooperative, Incentive-Based Conservation Programs
- Unifies Viewpoints and Crafts Policy that Strengthens Missouri's Commitment to Conservation
- Represents SWCDs as a member of the Missouri Partnership

- Works to Continue Funding for Priority Conservation Programs at the Local, State and National Level.
- Provides the Information, Education, and Networking Opportunities to Help Share SWCDs Commitment with Others

The MASWCD Mission

is to promote the conservation of soil and water resources, and assume active leadership in promoting conservation education in the state

Missouri conservation districts have a bright future and together we can make it happen. Let's meet this challenge head on.
